**MEN'S TROUSERS - SIZE GUIDE**

HOW TO MEASURE

1. Get a tape measure.
2. Based on what you are buying, compare the measurements you see in the tables below with the measurements you have taken.
3. Are you between two sizes? Choose the smaller size for a tighter fit, the larger size to be more comfortable.

WAIST: measure the circumference of your waist at the narrowest point of your abdomen (the indentation that forms if you bend to one side), keeping the tape measure horizontal.

HIP: measure at the widest point of the hips, keeping the tape horizontal.

LEG: Measure from the inseam to the ankle, holding the tape vertically.
